Hi Dave,

I want to thank you, Don Sullivan, and all the people associated with Jam Productions. The accolades about how well organized the Mumford & Sons concert was just keep coming in. Also, we are very proud of the Dixon Main Street organization and the City officials which worked closely with Jam to pull off a close to virtually trouble free concert. And what a nice bunch of people descended on our town. Hundreds of them through personal conversations and emails expressed their positive thoughts about the level of organizing, the campsites, the volunteers, the police, the Riverfront, the entertainment and of course the concert itself. Virtually everyone said Dixon should have annual events like this. In short all of us connected with the City likewise cannot say enough about all the lovely fun filled people that flooded into our community. Thank you, Dave.

Sincerely,

Mayor Jim Burke
